Subject: For Soitec Solar Admin Record

Hello Robert,

Please include this message and my attached powerpoint presentation into the Soitec Solar Administrative Record.

I was invited to make the presentation at the November 19th meeting of the East County Economic Development Council (ECEDC), in opposition to Soitec Solar's request for support of their Boulevard CPV projects, following Soitec's presentation. Planning Group members Bob Maupin and Paula Byrd also attended the ECEDC meeting and responded to questions.

After that meeting, I was informed by staff for one of our elected officials that the ECEDC board had voted to defer action on Soitec's request for support until after the FEIR is released for public review and comment, as I had requested.

Regards,

Donna Tisdale
